# WEEKLY QUESTIONS

November 16 - November 20, 2020

## Lesson 17:

1. You are working at the Kevin Chaja Awesome Company. A fellow employee that works with you on the same project has told his boss numerous times that he/she has been doing all the work and you aren't doing anything. How would you reply?
  - That would never happen to me, but hypothetically speaking I would apologize to my fellow employee and boss. I wouldn't tell them any excuses, just be honest and try to contribute any way possible.
